MSc PROGRAMME DESIGN

In 2020-2022, I co-designed a new interdisciplinary MSc called *Philosophy, Mental Health and Psychology* at the University of Birmingham, to launch in 2023.

This exciting new programme features interdisciplinary teaching from the Department of Philosophy and the School of Psychology. The MSc will tap into the uniquely high level of interdisciplinary expertise at Birmingham, including at the Institute for Mental Health.

ADVISORY BOARD MEMBERSHIP

- Advisory board member for *Towards an Institute for Scientific Facts*. PI: Peter Vickers.

This is a ‘hub and spoke’ project, with Durham University as the ‘hub’, and the ‘spokes’ in universities across the world. The goal is to develop a new method for measuring scientific consensus. I am an advisor for the aspects of the project involving (the philosophy of) psychology.
